SUPPLEMENTARY INFORMATION:

## Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106–181. The Act required the establishment of the advisory group within 1 year after its enactment. The advisory group was established in March 2001, and is comprised of a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

The advisory group provides “advice, information, and recommendations to the Administrator and the Director—

- (1) On the implementation of this title [the Act] and the amendments made by this title;
- (2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;
- (3) On other measures that might be taken to accommodate the interests of visitors to national parks; and
- (4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.”

Members of the advisory group may be allowed certain travel expenses as authorized by section 5703 of Title 5, United States Code, for intermittent Government service.

By FAA Order No. 1110–138, signed by the FAA Administrator on October 10, 2003, the NPOAG became an Aviation Rulemaking Committee (ARC). FAA Order No. 1110–138, was amended and became effective as FAA Order No. 1110–138A, on January 20, 2006.

The current NPOAG ARC is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American tribal concerns. Current members of the NPOAG ARC are: Heidi Williams representing general aviation; Alan Stephen, Elling Halvorson, and Matthew Zuccaro representing commercial air tour concerns; Chip Dennerlein, Gregory Miller, Bryan Faehner, and Dick Hingson representing environmental interests; Rory Majent and Ray Russell, representing Native American tribes.

In order to retain balance within the NPOAG ARC, the FAA and NPS invite persons interested in serving on the ARC to represent general aviation, commercial air tour operators, environmental concerns, or Native American tribal concerns, to contact Mr. Barry Brayer (contact information is written above in FOR FURTHER INFORMATION CONTACT).

Requests to serve on the ARC must be made to Mr. Brayer in writing and postmarked or e-mailed on or before June 8, 2012. The request should indicate whether or not you are a member of an association or group representing general aviation, commercial air tours, environmental concerns, or Native American tribal concerns or have another affiliation with issues relating to aircraft flights over national parks. The request should also state what expertise you would bring to the NPOAG ARC as related to the vacancy

you are seeking to fill (e.g., general aviation). The term of service for NPOAG ARC members is 3 years.

Issued in Hawthorne, CA on April 30, 2012.

Barry Brayer,

NPOAG Chairman

Manager, Special Programs Staff, Western-Pacific Region.
